

Login through the Electronic Government Gateway

If a new account was created for you in the *e. Statistika*, first you have to login to the system *e. Statistika* through the Electronic Government Gateway Portal. Detailed login instructions are provided below.

Important! You must log in to the Electronic Government Portal as a natural person and not as a representative of a legal entity.

To connect to the system *e. Statistika* through the Electronic Government Gateway, please follow the following steps:

1. Open the Electronic Government Gateway Portal www.epaslaugos.lt in your Internet browser.
2. Press the "Login" button:

Enter service and provider name [SEARCH](#)

4738 Currently active users	28 397 Logins today	35 263 759 Logins this year	30 928 805 Services ordered this year	646 Published services
---------------------------------------	-------------------------------	---------------------------------------	---	----------------------------------

Services of important life events

 Birth of the child	 Losing and finding a job	 Entering university or vocational school	 Applying for a driver's licence	 Starting a business	 Registering a car
------------------------	------------------------------	--	-------------------------------------	-------------------------	-----------------------

3. On the login page **foreigners**, please select "**Natural person**".

Home > Login

Choose your user type:

After selecting the target group, it will be given the opportunity to login for selected group of users in applicable login ways. Select the target group, according to actions you are planning to perform after login.

3.

4. Choose an adequate connection method.

5. You will be redirected back to the Electronic Government Gateway, but this time you will already be logged in as a user. **Make sure you are logged in as a natural person and represent a natural person**, i.e. yourself. If a legal entity is displayed in the field of the represented person, you will not be able to log in to the system *e. Statistika*.

6. Please select "Citizens":

The screenshot shows the E-Government Gateway interface. At the top left is the logo and text: "E-Government Gateway Administrative and public e-services portal". In the top right corner, the user profile information is displayed: "User: NAME SURNAME" and "Represented person NAME SURNAME", with "LT EN" and a language icon to the right. A red box highlights this profile information, with a red "5." next to it. Below the header is a navigation bar with several menu items: "Home", "Citizens", "Business", "Public sector", "E-signature", "Centralized Public Procurement", and "My menu". The "Citizens" menu item is highlighted with a red box, and a red "6." is placed next to it. Below the navigation bar is a secondary bar with "My dashboard", "Messages 0", "My tasks 0", and "My profile". The main content area is titled "My dashboard" and contains three columns of service cards: "Ordered services" (with sub-items: Required tasks: 0 services, My ordered: 0 services, Other services: 0 services, Templates: 0 templates, and a link to Order new service), "Proxies" (with sub-item: Received proxies: 0 proxies), and "Favorite services" (with sub-item: My favorite services: 0 services). At the bottom left is a "Help requests" card with a link to "My IT help requests" and a link to "New request". At the bottom center is a "New element" button.

7. In the “Services for residents” section, please enter and find the service "**statistical surveys**" in the search box.
8. Since there are more services related to statistics, make sure once again that you order the service "Preparation and transmission of statistical business data", and its provider is Statistics Lithuania.
9. Press the "**Start now**" button:

Home > Search
